SO, HOW DOES IT WORK?

90% of Texans overpay for Electricity!

Don't be one of them. Start off on the right foot with an electricity plan tailored to your new home.

No need to navigate the markets thousands of plans wondering if you picked the right one. Fine print and gimmicks can making shopping a nightmare.

That's where we come in!

1

Complete Signup with Energy Ogre

Energy Ogre will email you a link to review your move-in details and finish the signup process.

2

We Shop & Select

We analyze the hundreds of electricity plans on the market and identify the lowest fixed-rate plan for your home.

3

We Manage

We find the best plan, enroll you with the provider, handle any provider issues, and find the next plan when the time is right. We manage all of it for you!

4

You Save!

Save time, money, and hassle knowing you are in the best plan for your new home. Let signing up for Energy Ogre be the last electricity decision you ever have to make!
