

# ESSENTIAL DISINFECTING & SANITIZING

BECAUSE ATTENTION TO DETAIL

MATTERS

*Professional  
deep cleaning by*

THE **NEWMARK**  
**NORMAL**

This model home is on a rigorous schedule of disinfecting and sanitizing to help provide our visitors and employees peace of mind and good health.

- Major touch points such as light switches, door handles, drawer pulls, desk handles, etc. are treated with full-strength disinfectants.
- The treatment eliminates 100% of all bacteria and viruses on hard, non-porous surfaces and sanitizes other surfaces as well.

**PRIOR TO CLOSING ON YOUR NEW HOME...**

Your new home will also receive this same deep cleaning service before your closing date. Ask for details.
